A vintage white Volkswagen van is parked on a paved area next to a beach. The van has a blue tarp and a surfboard mounted on its roof rack. In the background, there are several tall palm trees, a clear blue sky, and a turquoise ocean. A flagpole with multiple flags, including the Spanish flag, stands behind the van. To the right, a beach area is visible with people sitting under colorful umbrellas. A bicycle is parked on the left side of the frame.
